## Request Form

11 March 2009

Dear Shareholder

This notice accompanies a copy of our Summary Report ("SR") for the financial year ended 31 December 2008 ("FY2008"). The SR contains a review of the Singapore Technologies Engineering ("ST Engineering") Group for FY2008. It also contains a summary of the audited financial statements of the Company and the Group for FY2008. From this year onwards, we will be sending you SRs for as long as you are a shareholder, unless you indicate in this Request Form that you do not wish to receive one in the future.

The full financial statements of the Company and of the Group for FY2008 are set out in a separate report called the Annual Report ("AR"). This report is available to all ST Engineering shareholders at no cost upon request. If you wish to receive a copy of the AR for FY2008 and future years, please complete this Request Form by ticking the appropriate box and returning it to the Company's Share Registrar, M & C Services Private Limited by 30 March 2009. If we do not receive your Request Form, it would indicate that you do not wish to receive copies of the AR for this year and for as long as you are an ST Engineering shareholder.

You may also supersede earlier requests sent to the Company by completing the Request Form accordingly and returning it to the Company's Share Registrar. If we do not receive your Request Form, it would indicate that you do not wish to receive copies of the AR for this year and future years and/or that you do not wish to change your previous requests. Your latest request will supersede earlier requests sent to the Company.

Yours faithfully  
for and on behalf of
