

Nautical & Marine Engineering Courses

PORT LIMIT ENGINE DRIVER (THIRD CLASS) (PLED3)

INTRODUCTION

The Port Limit Engine Driver (Third Class) (PLED3) course is designed to prepare participants appearing for the Port Limit Engine Driver (Third Class) exams conducted by the Maritime and Port Authority of Singapore (MPA). It provides the necessary basic knowledge for the student to safely and effectively manage and operate the engine room machinery of ships licensed to operate in port limits independently for smaller size harbour crafts and as assistant in larger ones (limitation of engine horsepower is decided by MPA).

AIM

To provide the participants with the knowledge and skills in managing and operating the engine room machinery of vessels licensed to operate in port limits.

COVERAGE OF COURSE

The PLED3 covers the following main topics:

- General
- Safety and prevention of pollution
- Maritime resource management and ISPS Code
- Watchkeeping procedures
- Bilge and other Piping systems
- Marine Diesel engines
- Electrical Knowledge

PRE-REQUISITES REQUIREMENTS

- a) Citizens or permanent residents of at least 18 years of age
- b) Have passed an approved eyesight test; and
- c) Have, within the past five years, served a total of at least six months in the capacity of a crew member in one of the following power-driven vessels:
 - Licensed harbour craft; or
 - Vessels belonging to the Government of Singapore or a Statutory Board; or
 - Sea-going vessels engaged in trade, trawlers or deep-sea fishing vessels.

DURATION: 7 Days

COURSE FEE: S\$1,344.00 (subjected to prevailing GST)

This course is eligible for Maritime Cluster Fund and SkillsFuture Credit.

Please click [here](#) for more details and course enrolment via the SSG MySkillsFuture website.

ASSESSMENT AND CERTIFICATION

There is a course assessment at the end of the course. Participants must pass the assessment to successfully complete the course. Upon passing, a certificate will be issued.
