

GPMG

7.62MM GENERAL PURPOSE MACHINE GUN

RELIABLE FULLY AUTOMATIC WEAPON FOR HEAVY DUTY APPLICATIONS

 **ST Engineering**

The 7.62mm General Purpose Machine Gun (GPMG) is a fully automatic, air-cooled belt-fed and gas-operated weapon. With safe and reliable performance, adjustable rates of fire for multiple scenarios and simple to operate, GPMG has established itself to be an indispensable weapon for both the military and paramilitary services in many countries.

Construction of weapon is kept simple and modular for easy disassembly for maintenance.
